ACHCF Grant – The Ambulance District has received a grant to fund EMS training materials as well as the purchase of a recertified 12-Lead EKG machine.

Medical Director – Council Valley EMS will coordinate with Midvale and Cambridge departments to approach a Weiser Hospital ER doctor to gauge her interest in becoming their new Medical Director.

New Meadows Ambulance District – Tim Toomey and Dan Huter are working with the County Commissioners to assist in setting up the new Ambulance District. The next meeting to discuss organization and procedures is scheduled for April 13th.
