

Articles of Agreement  
Adams County Planning & Zoning Commission

Pursuant to Title 67, Chapter 65 of the Idaho Code, be it resolved that Adams County does hereby establish a county planning and zoning commission hereafter referred to as the Commission.

Article I

Name

The name of the agency so organized and established shall be the Adams County Planning and Zoning Commission.

Article II

Purposes

1. Serve as the recognized planning commission for the purposes of planning development within Adams County.
2. Develop and maintain comprehensive plan(s) for Adams County.
3. Develop and recommend programs, actions, codes, and/or ordinances to implement comprehensive plan(s) for Adams County.
4. Develop and recommend actions and cooperate with appropriate local, state, regional, federal and private agencies.
5. With prior written approval of the Board of County Commissioners, receive and expend local, state, federal, or private funds to achieve the purposes of this agreement.

Article III

Boundaries

The Commission's area of authority shall include Adams County, excluding lands within the incorporated municipalities within the boundaries of Adams County.

Article IV

Membership

Membership of the Commission shall consist of seven (7) persons appointed by the Adams County Board of Commissioners and representing the various rural areas of the county.

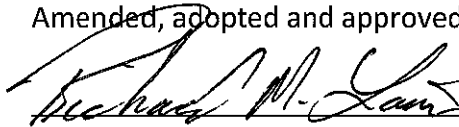

Article X  
Committees

The Commission may establish any advisory boards, committees, and task forces necessary to carry out the purpose of this agreement.

Article XI  
Amendments

The Articles of Agreement and the Bylaws of the Commission may be amended by the Adams Board of County Commissioners. The Commission may recommend such amendments by action of the members at either a regular or the annual meeting of the Commission. Written notification of the amendments and a copy of said amendments must be furnished to all members of the Commission not less than ten (10) days before the date of the meeting. A simple majority vote of the members shall be required to recommend amendments to the Bylaws and Articles of Agreement for consideration by the Board of County Commissioners.
