There was not enough of the commission members present for a quorum. Commission members held an informal discussion on chapters 3 and 4 of the Adams County Zoning Ordinances.

Don said that things are still slow and he has nothing new coming up for May.

Chairman Ward said the May meeting will be held in person instead of by telephone. Since there was not a quorum the annual meeting will be held in May and chapter 6 of the Zoning Ordinances, administrative policies and procedures will be reviewed.
