Christy Ward called the regular meeting of the Adams County Planning Commission to order at 7:03 p.m. on June 16, 2014 in the courtroom of the Adams County Courthouse.

Members discussed procedures on hearing and how meetings are run for a short time. It was suggested that a "cheat sheet" be developed to be used at public hearing to help everyone remember what they need to be doing. This would include a list of standard items that need to be looked at during each hearing as well as special considerations when things such as gravel pits come before the commission. It could also include reminders on the way the hearings are conducted and Robert's Rules of Order.

Don Horton was absent, but no one knew of anything that was happening.

The minutes from the May 19, 2014 meeting were reviewed and Micki Eby moved that the minutes be approved as submitted. Rich Laine seconded the motion, which passed with everyone present voting in favor of the motion.

The meeting was adjourned at 7:37 pm. The next meeting will be held on July 21, 2014 in the courtroom of the Adams County Courthouse.
