Christy Ward called the regular meeting of the Adams County Planning Commission to order at 7:05 p.m. on August 18, 2014 in the courtroom of the Adams County Courthouse.

Don Horton discussed an application to amend the conditional use permit that was issued to Richard Cheverton a few years ago. Mr. Cheverton is requesting permission to add selling used cars, trucks, and ATV's to his existing permit. Chairman Ward set the date for the public hearing as September 15, 2014 at 7:00 p.m. The hearing will be held in the courtroom of the Adams County courthouse.

Commission members discussed some ideas for standard requirements that should be considered with any application for a gravel pit. Suggestions included what type of equipment would be allowed during the operation, the hours and days of operation, noise and dust abatement, and requiring roads in and out to be paved.

The minutes from the July 21, 2014 meeting were reviewed and Bill Shore moved that the minutes be approved as submitted. Steve Ryals seconded the motion, which passed with everyone present voting in favor of the motion.

Rich Laine moved that the meeting be adjourned. Bill Shore seconded the motion, which passed with everyone present voting in favor of the motion. The meeting was adjourned at 7:40 pm. The next meeting will be held on September 15, 2014 in the courtroom of the Adams County Courthouse.
